VILLAS SAMUI

## CENTARA VILLAS SAMUI

Natien Beach is a quiet stretch of golden sand at the southern tip of Koh Samui, close to the traditional fishing village of Hua Thanon, and within easy reach of the popular Lamai Beach. With its own frontage on the sand, surrounded by palm trees and fragrant gardens, Centara Villas Samui is a collection of Southern Thai-style accommodation that will be your private island hideaway.

### LIVING

There are 102 rooms, each with its own balcony or terrace for lounging and enjoying the cool breeze and views of the gardens or the ocean. Warm wood tones and natural fabrics harmonise with the outdoor setting and a light decor with bold splashes of colour enhances the feeling of space. Whether travelling as a couple or as a family there is a range of accommodation sizes to suit your desires plus the option of its own private pool or Jacuzzi.

## CHILLING

Three freshwater swimming pools provide plenty of space for enjoying the sun and there is a **children's playground** to keep the youngsters happy. A boat ride will take you to a nearby island where the teeming marine life on the reef will provide memorable snorkelling. Other water sports include kayaking and fishing, while those who prefer land-based action can take a bike and explore the countryside. **SPA Cenvaree** provides total relaxation, with treatment suites for singles and couples, for exercise lovers there is a **fitness centre** with the latest equipment. Complimentary wireless internet access is also available.

## DINING

Exciting food is part of the holiday experience, with **Reef Café** serving Thai, oriental and international cuisines along with themed dinner buffets on the outdoor terrace and in the air-conditioned pavilion next to the beach. **Coral Bar** is also located beach side and serves fresh Samui seafood along with cocktails and wines from around the world. Refreshing drinks are served at the **Papillion Lounge** located at the lobby level. For those who wish to relax in the room a selection of in-villa dining is also available.

## SIGHTSEEING

The balmy and crystalline waters of the Gulf of Thailand around the iconic island destination of Koh Samui are the first thing to draw visitors here, serving as home to the abundance of marine life that populates the local reef. Guests can easily observe these brightly-coloured warm waters while enjoying a snorkelling day trip to nearby islands or half-day excursions including the popular 80-metre Na Muang Waterfall 2 and pools.
