Weddings in tropical climates

You have chosen a tropical destination for your special day. During certain months the destination can experience rain and showers. When you select an out door venue for your wedding location, the resort or hotel will provide a back-up in-door location in the event of bad weather. There is no extra charge to you for this back-up venue, however by booking an outdoor venue you agree to this back up option with no recourse to the property. Weather is beyond the control of the company. To help limit this situation, it is strongly recommended that you remain flexible with your actual Wedding day during your stay. On arrival the wedding co-coordinator will discuss with you the weather forecast and agree an appropriate date if needed.

Right to change

Whilst every effort is made to coordinate your wedding plans before arrival and thus allow you, the time to enjoy your stay, we do appreciate that sometimes, once on-site, you may want to make changes. To facilitate this, our wedding coordinator will meet with you early in your stay to review the arrangements. At this time and subject to availability, you may change your venue and add any optional item to your wedding. It is with regret that pre-booked items cannot be cancelled and services within the wedding packages are non-refundable.

In the event you cancel your plans completely, the deposit is non-refundable outside 30 days. Inside 30 days, 50% of the total cost will be lost.

View before you go

Our wedding information, location images and additional optional extra items can all be viewed at our website. Visit www.centarahotelsresorts.com/wedding and follow links to your chosen destination and resort.

Confirming your wedding plans

After completing your quotation form and receiving an appropriate response, securing your wedding is subject to a non-refundable deposit of 10,000 Baht. Weddings can be booked directly with the hotel, however it is recommended that you book via your chosen tour operator/ travel agent. In this way you can verify all technical items related to your nationality and avoid any local government issues.

The balance of your wedding or blessing event is due 30 days prior to arrival. A pro-form invoice will be issued in good time to arrange payment by bank transfer or credit card.
