Fifty Five

Fifty Five is the place for the serious steak aficionado, with a grand menu that includes Dry Aged US Prime Beef Cuts, Australian Wagyu Cuts and French Charolais Beef, all cooked on our wood-fired grill to retain their distinctive and natural flavours.

Fifty Five's desserts are special too, with great classics such as Valrhona chocolate melt and Iced Soufflé to make your evening even more memorable.

To enhance your dining pleasure, there is a huge selection of Martinis and other classic cocktails together with a superb collection of wines in our two-storey glass-walled wine cellar, tended by our renowned Wine Angels.

Redsky

On Floor 55, Red Sky is a chic urban, al fresco bistro melded to a wine and martini bar, gourmet charcoal grill cuisine is accompanied with mood-enhancing melodies from the silky voiced resident pianist and vocalist and inspirational views across the city.
