[www.centarahotelsresorts.com](http://www.centarahotelsresorts.com)

As Thailand's largest hotel operator, you will find us at all the best destinations throughout the kingdom. And because we offer different styles of hotel and resort to accommodate different needs and preferences, you will frequently find more than one Centara property at the destination in which you are interested.

Following the success of properties in the Maldives, Philippines and Vietnam, we will further expand Centara's concept beyond Thailand with the opening of 4- and 5- star resorts in Mauritius, the Maldives, India, Sri Lanka and Indonesia in the course of 2012.

So, if you are looking for a grand hotel, a family-friendly resort, a quiet retreat, a romantic break, or somewhere intimate that suits your own discerning ideas about design and service, we will be there with the kind of property you desire.

The majority of our hotels and resorts feature our own-brand SPA Cenvaree, dedicated to blending therapies and techniques from East and West to make you feel relaxed and rejuvenated.

Kids Club facilities are featured at most of our beach properties, where the youngsters can enjoy themselves under supervision, allowing the mums and dads a little well-earned rest.

If you wish to enjoy an exclusive hotel-within-the-hotel stay, our Club accommodation provides you with enhanced luxury Club rooms, access to the Club Lounge with its five complimentary food and refreshment servings per day and a host of other benefits.

Our range of hotels and resorts is growing all the time, and now we are increasingly to be found at popular destinations overseas.

Look for the Centara name. We are here for you.
