Free Holidays for Children Throughout Thailand

Trade site [www.chr.co.th](http://www.chr.co.th)

More and more families are traveling to Thailand for their holidays, Centara Hotels & Resorts offers a generous collection of benefits. Detailed within this brochure are our policies and conditions, please ensure your reservations clearly indicate the choice of the guest to avoid incorrect billing.

## Children stay free

Up to 2 children, depending on room type may stay free when sharing with 2 adult guests in a room utilizing existing bedding.

Clarification by room type (for correct room type booking).

King Bed	May permit one small child to share with parents using the king bed.
Twin Rooms	Have no option for existing bedding shares, extra bed always required.
Double / Double Rooms	Available in selected resorts (see grid) and can sleep up to 2 children using one of the double beds.
Suites and Villas	Depending on bedding configuration shown above.

## Extra bed requirements

Where existing bedding policy is not an option and there is a requirement for extra bedding, apply the extra bed rate on your contract.

Child extra bed – under 12 years of age.

Adult extra bed – 12 years and older.

Please note, adding an extra bed to rooms does restrict circulation. Guests should be informed. See grid notes, where “space restrictive” we do not-recommend and “space limitations” is for information.

## Single parent families

When children travel with a single adult parent, please use the single room rate for rate calculation.

The first child sharing the room will be free of charge; extra children (number depending on room type) will be charged at the extra bed child rate.

## Breakfast is free too

Where children stay free using existing bedding, they also eat breakfast free too.

This is subject to the room rate being a room and breakfast tariff (not applicable if room rate is room only tariff).

This mini-brochure grid demonstrates available room types and adult/child capacity for each of our hotels and resorts.
