## THEMED CEREMONIES

Be it a majestic or distinctive Thai traditional ceremony blessed with gracious rituals, a classic white wedding or an aesthetic and enchanting Lanna experience, any one of our ceremonies will make the special day your clients have always dreamed of come true.

In our tropical venues and romantic hideaways, our wedding coordinators will handle all the planning and offer a specific wedding package. If one wishes to enhance your occasion, the attentions of our personal wedding coordinators will help tailor their ceremony to satisfy all their nuptial needs.

### **Western wedding:**

Imagine saying your wedding vows on a beach of your own. Whether you choose to start your new life together by leaving your footprints on one of our sandy beaches or to host an elegant ceremony amid lush gardens, our wedding coordinators will bring your dream wedding to life, down to the finest details.

### **Thai wedding:**

Celebrate your love in a traditional Thai wedding ceremony with the sounds of a long-drum parade, the scent of fragrant garlands and fresh orchids, and graceful rituals throughout your big day, with your union blessed by Buddhist monks and well-wishers. Whether on a tranquil beach or amidst tropical gardens your chosen venue will be adorned with vibrant colours.

### *Suggested sequence of the ceremony:*

The ceremony begins as the Buddhist monks arrive at the wedding venue. Candles and incense sticks are lit, you are offered fragrant neck garlands, and the monks commence the blessing ceremony in a peaceful and serene atmosphere. As a symbol of your togetherness the holy thread is placed over your heads and your foreheads are marked with powder as a gesture of well-wishing for your future. After offering the Sung Katarn and alms to the Buddhist monks, all attendants are blessed with a trickle of holy water, and holy water is poured on your hands. The evocative sounds of the traditional long-drum parade are heard in celebration.

### **Renewal of vows and intimate wedding celebrations:**

A selection of our resorts in sun-drenched destinations across Thailand offer renewal of vows ceremonies to those who have already tied the knot and intimate wedding celebrations. These are designed as minimalist, intimate ceremonies and offer a backdrop of fine-sand beach and sparkling sea.

Create new memories, whether you choose to celebrate your love as only the two of you or with a few invitees.

#### *Suggested sequence of the ceremony:*

The wedding ceremony will officially begin as the celebrant arrives to the selected wedding venue. Had the couple chosen to invite their friends and family all well-wishers will greet the couple before the bride and groom exchange their vows or wedding rings. The celebrant will then declare the couple as husband and wife or offer the couple their certificate vow renewal certificate prior to toast this memorable day with a bottle of sparkling wine.

The couple has the option to enjoy a romantic candlelit dinner either as before the wedding celebration or as newlyweds.

## Legal requirements for weddings in Thailand

The information below provides some guidance to marry in Thailand, including the documents required both in your home country and in Thailand. Our wedding ceremonies are celebratory ceremonies (blessings) and therefore legalising your matrimonial union is subject to a number of procedures. In most countries the marriage will only be recognised under the law of said countries if it is valid under Thai law.

- The originals and the copies of all required documents will be requested by local authorities
- Details on applicants' occupation and annual income might be required
- The Thai authorities require that any foreign national wishing to marry in Thailand must obtain an "Affirmation of Freedom to Marry". This document confirms your marital status.
  - This document must be submitted to your embassy in Thailand
  - The "Affirmation of Freedom to Marry" can be obtained from a Notary Public whom you can find through a solicitor's office. You may have to provide evidence that there is no known impediment to your proposed marriage. Prior to apply for this document, you are advised to address to your local Registrar Office to list down the identification documents your circumstances require (i.e. original of decree absolute if divorced, death certificate if widowed, adoption certificate if adopted). The "Certificate of No Impediment" is usually issued within a month and its validity may vary
- Collect the statutory declaration that has been endorsed by your Embassy's Consular and ensure this document, in addition to other documents that may be required, is translated into Thai
- Translations must be certified by Thai authorities (*Legalisation Division, Department of Consular Affairs, Ministry of Foreign Affairs, 123 Moo 3, Chaeng Wattana Road, Laksi district, Bangkok*) Submit all documents and certified translations to the Registrar Office at any Amphur office (District Office or City Hall) in Thailand. The registrar will register your marriage and issue duplicate of the Thai marriage certificates. Some Amphur require the presence of a translator
- It is greatly recommended to have your marriage certificate translated by an authorised translation bureau while in Thailand
- Once you are back to your country of residence, you may have to deposit an original and a translated copy of your marriage certificate at your General Register Office in order to register your wedding
