Sustainability

Sustainability Initiatives

At Centara Grand Beach Resort Phuket, sustainability isn't just a promise — it's part of our everyday operations.

Waste & Energy

- **Biogas System:** Converts organic waste into clean energy and compost — reducing daily CO₂ emissions by 250 kg.
- **EV Charging Stations:** Two AC 7.4 kW chargers, supporting eco-friendly travel and cutting 5,800 kg CO₂ annually.
- **Renewable Energy:** 1,050 solar panels generated 639,132 kWh in 2024 — equal to 287.6 tons CO₂ saved.

Environment & Biodiversity

- **Daily Beach Cleaning:** Ensures a clean Karon Beach through staff participation.
- **Plastic Awareness "Goby the Fish":** Sculpture collects plastic to raise conservation awareness.
- **Turtle & Tree Signage:** Promotes marine and local biodiversity education for guests.

Community Partnerships

- **SOS Food Redistribution:** Surplus food is donated to local communities, supporting social welfare and reducing waste.

Green Living at the Resort

Sustainable Operations & Guest Engagement

Organic Herbal Garden

Our on-site organic garden provides fresh herbs and vegetables for restaurants, spa products, and wellness beverages — promoting self-sufficiency, quality, and zero chemicals.

“Going Greener” Initiative

Guests are encouraged to reuse towels and linens, saving up to 8 litres of water per room daily and reducing energy and chemical use.

Green Coffee Breaks

We offer sustainable coffee breaks with locally sourced ingredients and biodegradable or reusable serviceware—reducing waste while elevating the guest experience.
