# TROPICAL BEGINNINGS

## **Renewal of vows and intimate wedding celebrations:**

A selection of our resorts in sun-drenched destinations across Thailand offer renewal of vows ceremonies to those who have already tied the knot and intimate wedding celebrations. These are designed as minimalist, intimate ceremonies and offer a backdrop of fine-sand beach and sparkling sea.

Create new memories, whether you choose to celebrate your love as only the two of you or with a few invitees.

## **Suggested sequence of the ceremony:**

The wedding ceremony will officially begin as the celebrant arrives to the selected wedding venue. Had the couple chosen to invite their friends and family all well-wishers will greet the couple before the bride and groom exchange their vows or wedding rings. The celebrant will then declare the couple as husband and wife or offer the couple their certificate vow renewal certificate prior to toast this memorable day with a bottle of sparkling wine.

The couple has the option to enjoy a romantic candlelit dinner either as before the wedding celebration or as newlyweds.

# THAI WEDDING

Celebrate your love in a traditional Thai wedding ceremony with the sounds of a long-drum parade, the scent of fragrant garlands and fresh orchids, and graceful rituals throughout your big day, with your union blessed by Buddhist monks and well-wishers. Whether on a tranquil beach or amidst tropical gardens your chosen venue will be adorned with vibrant colours.

## **Suggested sequence of the ceremony:**

The ceremony begins as the Buddhist monks arrive at the wedding venue. Candles and incense sticks are lit, you are offered fragrant neck garlands, and the monks commence the blessing ceremony in a peaceful and serene atmosphere. As a symbol of your togetherness the holy thread is placed over your heads and your foreheads are marked with powder as a gesture of well-wishing for your future. After offering the Sung Katarn and alms to the Buddhist monks, all attendants are blessed with a trickle of holy water, and holy water is poured on your hands. The evocative sounds of the traditional long-drum parade are heard in celebration.

## **Thai wedding packages included:**

- Romantic room set-up in the bridal room
- A choice of wedding venue
- Buddhist monks to conduct the ceremony

# LANNA WEDDING

Typically Thai and truly romantic, the Lanna wedding ceremony is an enchanting beginning to your new life as husband and wife. This exquisite wedding ceremony is inspired by the Lanna spiritual heritage, created during an era of elegance and grace, and only selected hotels offer all the ingredients and arrangements. The two of you plus an outrageously aesthetic celebration will make this day the most beautiful day of your life together.

## **Suggested sequence of the ceremony:**

The evocative sounds of the long-drums leads guests in the traditional Lanna procession to the wedding venue. Candles and incense sticks are lit and you are offered fragrant neck garlands. The Buddhist monks give their first blessings as you kneel close together, hands joined in the “Wai” position. As a symbol of this new bond, your family, friends and respected elders tie white sacred threads to your wrists, linking them together. After offering the Sung Katarn and alms to the monks, all attendants are blessed yet again and holy water is poured on your hands. Hot-air lanterns named “Kom Loy” trace their way through the sky and wish you good fortune.

# GETTING MARRIED IN THAILAND

## LEGAL REQUIREMENTS FOR WEDDINGS IN THAILAND

The information below provides some guidance to marry in Thailand, including the documents required both in your home country and in Thailand. Our wedding ceremonies are celebratory ceremonies (blessings) and therefore legalising your matrimonial union is subject to a number of procedures. In most countries the marriage will only be recognised under the law of said countries if it is valid under Thai law.

- The originals and the copies of all required documents will be requested by local authority
- Details on applicants' occupation and annual income might be required
- The Thai authorities require that any foreign national wishing to marry in Thailand must obtain an "Affirmation of Freedom to Marry".
- This document confirms your marital status.
  - This document must be submitted to your embassy in Thailand
  - The "Affirmation of Freedom to Marry" can be obtained from a Notary Public whom you can find through a solicitor's office. You may have to provide evidence that there is no known impediment to your proposed marriage. Prior to apply for this document, you are advised to address to your local Registrar Office to list down the identification documents your circumstances require (i.e. original of decree absolute if divorced, death certificate if widowed, adoption certificate if adopted). The "Certificate of No Impediment" is usually issued within a month and its validity may vary
- Collect the statutory declaration that has been endorsed by your Embassy's Consular and ensure this document, in addition to other documents that may be required, is translated into Thai
- Translations must be certified by Thai authorities (Legalisation Division, Department of Consular Affairs, Ministry of Foreign Affairs, 123 Moo 3, Chaeng Wattana Road, Laksi district, Bangkok) Submit all documents and certified translations to the Registrar Office at any Amphur office (District Office or City Hall) in Thailand.

The registrar will register your marriage and issue duplicate of the Thai marriage certificates. Some Amphur require the presence of a translator

- It is greatly recommended to have your marriage certificate translated by an authorised translation bureau while in Thailand
- Once you are back to your country of residence, you may have to deposit an original and a translated copy of your marriage certificate at your General Register Office in order to register your wedding

## WEDDINGS IN TROPICAL CLIMATES

You have chosen to celebrate your wedding celebration and your dream honeymoon in a tropical destination. In these picture-perfect surrounds your wedding ceremony is still subject to weather conditions. When you select an outdoor venue as your wedding venue our team will provide a back-up indoor location with no extra charge (depends on group size at the selected properties only). However please be aware that by booking an outdoor venue you agree to this back-up option with no recourse to the property. On arrival the wedding coordinator will discuss with you the weather forecast and agree an appropriate date if needed. It is strongly recommended that you remain flexible with your actual wedding day during your stay to ensure it will be a day to remember.

## YOUR WEDDING, YOUR STYLE

Whilst every effort is made to coordinate your wedding plans before arrival and therefore allowing you the time to relax and enjoy your stay, we do appreciate that you may want to discuss your wedding arrangements with your personal wedding planner early in your stay. You have the opportunity to enhance your wedding setting in addition to the pre-booked items and services within the wedding package which cannot be cancelled or refunded.
