LIVING

The resort's contemporary style creates a relaxed coastal retreat across 200 rooms and suites — Superior, Deluxe, One-Bedroom Suite, and Family Suite, with ocean-view options available in selected categories. Soft, neutral palettes and light wood finishes are lifted by playful pops of colour, while thoughtful layouts balance space for relaxing, working, and spending time together. Family Suites accommodate up to three adults or two adults and three children with bunk beds and a sofa bed, making group and family stays effortless.

CHILLING

Whether spending the day beside the family swimming pool with waterslide, walking along Hua Hin Beach, or unwinding at SPA Cenvaree next door, relaxation comes naturally. The resort's central location also places guests within easy reach of Hua Hin's shopping, cafés, markets, golf courses, and cultural attractions, making it an ideal base for both leisure and business travellers.

DINING

The Tide serves international favourites alongside authentic Thai flavours in a relaxed all-day dining setting, before transforming into a vibrant evening destination inspired by local street food culture. Throughout the day, **Playhouse Café** offers freshly brewed coffee and pastries, while **The Deck** provides refreshing drinks and light bites by the pool. Guests can also discover five distinctive restaurants and bars at neighbouring **Centara Grand Beach Resort Hua Hin**, offering an even wider choice of culinary experiences.

SIGHTSEEING

Ideally located near Hua Hin's most popular attractions, Centara Life Sea Breeze offers convenient access to the destination's unique charm and vibrant experiences. Discover the historic Hua Hin Railway Station, browse the lively Cicada Market, admire the scenic temple at Khao Takiab, or enjoy a day of family fun at Vana Nava Water Jungle.
